Devonport City Council

What is proposed?

Dear Sir/Madam,

I am writing to request approval to operate a food van business on the property located at [170 Tarleton street East Devonport]. We are planning to lease the entire premises and utilise it as a base for our food van operations.

Our business will primarily sell kebabs, fast food items, and soft drinks to the public. We intend to use the existing building's electricity and water supply to support the food van operations. All wastewater will be collected in containers and disposed of safely at the designated waste disposal area, in accordance with council and environmental regulations.

We will ensure that the site remains clean, tidy, and compliant with all health, safety, and environmental standards. Our operations will not cause any disturbance to nearby residents or businesses, and we will adhere to all council operating hours and permit conditions.
